Cash Aid and Food Assistance

Disaster CalFresh Food Benefits
Available Wednesday October 25 Through Wednesday November 1 Only

People with losses from the fires in 7 counties can apply for one month of food benefits on a EBT card you can use at authorized grocery stores. Covered fires include those in Butte, Lake, Mendocino, Napa, Nevada, Sonoma, and Yuba counties. Grocery stores in those counties and six others (Contra Costa, Marin, Orange, Sacramento, Solano, Sutter) can allow Disaster CalFresh benefits to be used to purchase hot or prepared food, in addition to regularly allowable foods.

Requirements to apply:

- Must not be current CalFresh participant.
- Must have been living or working in disaster area at time of disaster.
- Must have suffered a disaster-related loss or incurred other disaster related expenses.
- Must verify identity and participate in face-to-face interview. No Social Security Number required.

You can apply in two ways:

1. **In person** at any County Welfare Department. Note: You can pre-fill out the Disaster CalFresh application in (English) (Spanish) and bring in to any CWD office.

2. **On-line** to the county where you lived or worked that experienced the fires: go to www.benefitscal.com and choose that county.

CalWORKs is a public assistance program that provides cash aid and services to eligible families that have a child(ren) in the home. The program is operated locally by county welfare departments.

The CalFresh Program, issues monthly electronic benefits that can be used to buy most foods at many markets and food stores. If you are impacted by the California wildfires or evacuated to California due to Hurricanes Harvey, Irma, and Maria and need help to buy food you are eligible to apply for CalFresh food benefits.

This website connects you to applications for CalFresh, CalWORKs and Medi-Cal benefits in California.
Food Banks

Food Banks throughout California can provide relief to families affected by the wildfires by providing them with emergency food assistance at no cost. Locate a food bank in your area.

Housing Assistance

County Welfare Departments have funding specifically designated to support families experiencing homelessness who are eligible for or receiving CalWORKs assistance. All counties administer the Homeless Assistance Program, which provides temporary assistance to pay for up to 16 days in a motel. For more information, contact your local County Welfare Department or visit a Local Assistance Center.

Most counties also operate a Housing Support Program, which offers longer term housing search and rental supports. For more information about the program, please reach out to your county Housing Support Program contact. The full county contact list can be found here.

Unemployment Services

The California Employment Development Department provides a variety of relief and services to individuals and businesses impacted by the wildfire disasters in California. These range from assistance for those who may have lost a job due to the disaster, to employers who are forced to shut down operations. Find out more about unemployment services here.

Grant Assistance for Individuals and Families

The California Department of Social Services, Disaster Services Bureau, can provide grant assistance through two programs. They are the Individuals and Households Program (IHP) and the State Supplemental Grant Program (SSGP). Find out more about grant programs here.

Northern California residents may register for disaster assistance with the Federal Emergency Management Agency.

In-Home Supportive Services

Recipients and providers of In-Home Supportive Services with questions regarding services impacted by the wildfires should contact your county IHSS worker. Here is a list of county IHSS offices.
